BlueFit Foundation Golf Day 2025

About the BlueFit Foundation

The BlueFit Foundation is a registered not-for-profit organisation dedicated to empowering children and communities who may face barriers to accessing sport and recreation, ensuring everyone has the chance to enjoy the benefits of being active and connected.

Founded on the belief that everyone deserves a healthy, active life, the Foundation works with local communities to remove financial, social, and accessibility barriers. With the support of our partners and donors, we deliver vital programs like free or subsidised swimming lessons, school sport initiatives, and community health events.

By sponsoring our Foundation Golf Day, you're not just backing an event, you're creating lasting impact for families and communities in need.
